E-CHURCH

Date: 01/02/2020
Guide: Ms. Sruthimol Kurian

1. Project Overview?

E-CHURCH is the online system to help the working of the church smoothly and users can register certificates like baptism, death, marriage and different services. The primary objective of this web site is to give awareness about the church and documents and   its registration details as well as to help to register or apply for those documents. This also acts as user friendly. The main purpose of the web site is to reduce the effort by the users and save time and avoid unwanted rushes at the church and assure a smooth working schedule at church office.

2. To what extend the system is proposed for?

For helping users who have no enough time to visit church for booking holy mass, prayer. It gives updated information and they can get important certificates.

3. Specify the Viewers/Public which is to be involved in the System?

Vicar, Parish Member

4. List the Modules included in your System?

- User
- Admin
- Clerk

5. Identify the users in your project?

Admin, Parish Member and Clerk

6. Who owns the system?

Church

7. System is related to which firm/industry/organization?

E-commerce industry

8. Details of person that you have contacted for data collection?

Admin, Parish Member and Clerk

9. Questionnaire to collect details about the project? (min 10 questions, include descriptive answers, attach additional docs (e.g. Bill receipts, certificate models), if any?)

    I. What are the difficulties of the existing system?

    The current system is working manually. So that, it is harder to work on.

    II. How arranged holy mass and other prayers?

    Every day holy mass and confession are arranged. Other prayers are arranged based on occasions.

III.   How much rupees for a holy mass or prayer?

There are 2 type of holy mass. They are holy mass with song and without song. 150 and 100 are the amount for that. More over it will be changed as per the function.

IV.   Do you allow customers to apply certificates more than one?

No only one time certificate generated

V.   How can you manage all activities in church?

There are 368 houses in this church and arranged in to 14 different prayer groups so easily I can identify and manage all activities.

VI.   Who manages all cash details in church?

Cashier. All other activities are controlled by clerk

VII.   How can you take major decisions?

Every month parish council will be conducted then take major decisions

VIII.   Parish member can any option to convey their opinion?

Yes every one have their own freedom to express their feelings and opinion. For that every month we will arrange a meeting.

IX.   What all are the expectations on this site?

It must be user friendly, easily manageable by us.

X.   What are the additional services in church?

Every Sunday 1 to 12 class students have Sunday classes. Unmarried youth have Yuvadeepthi. Married Couples have MathruJyothis and Pithruvedhi etc... More over in each school year we will supply study materials for poor students.
